

d_p DELACO PANELS

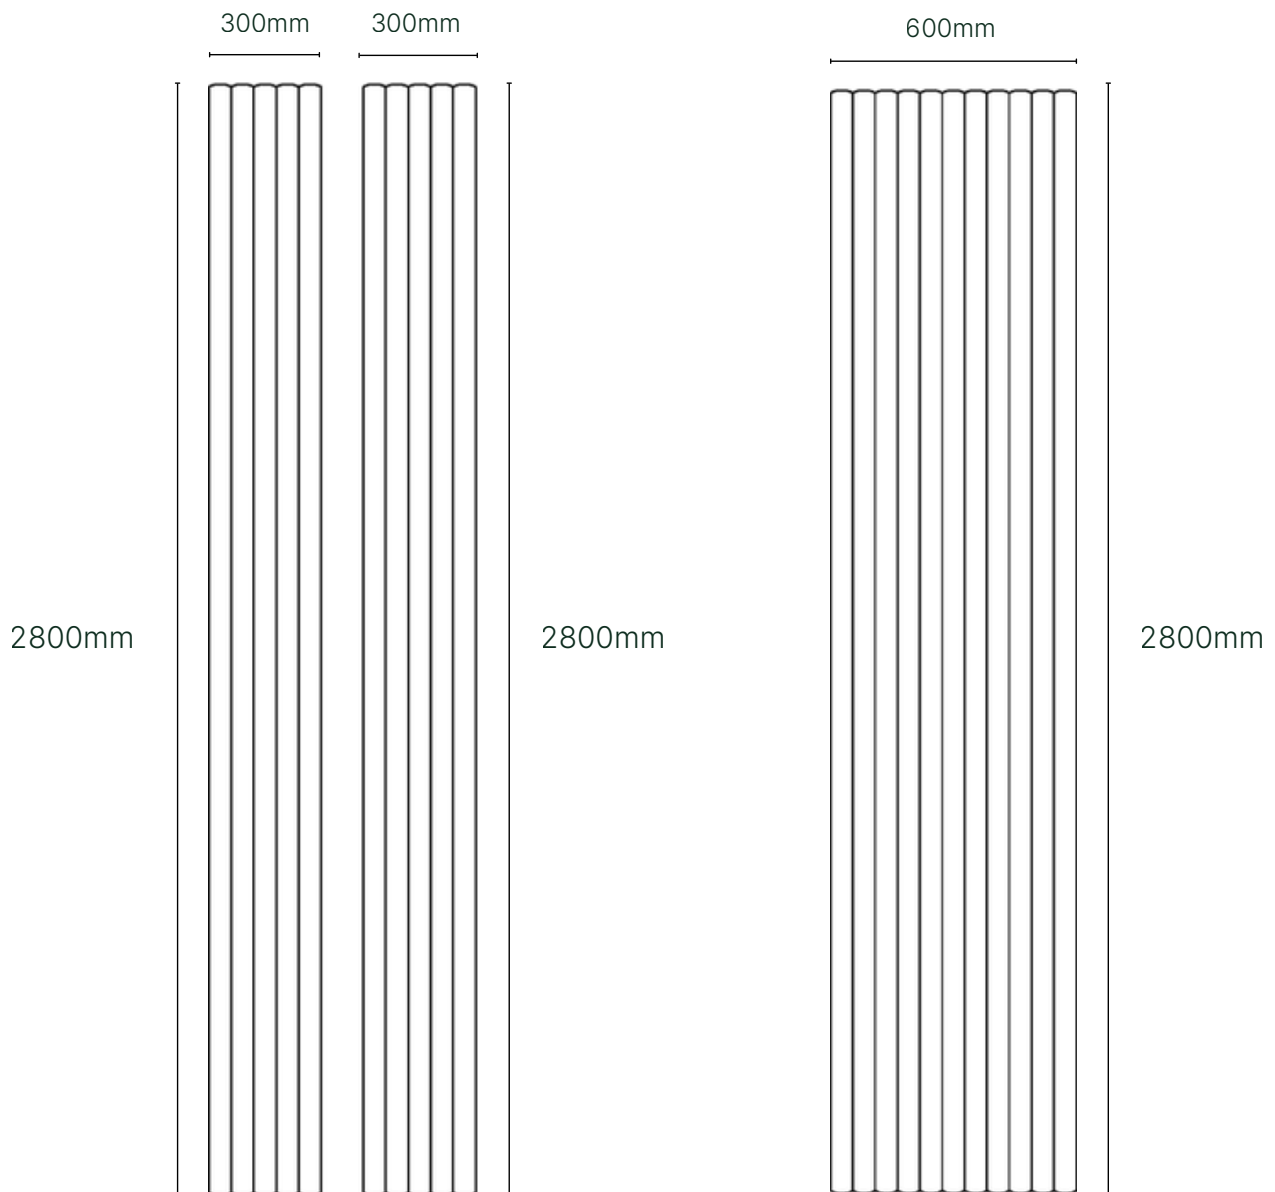

Installation Guide

DELACO® FLUTED PANELS

FLUTED PANELS

SPECIFICATIONS

***One Panel comes in 2 pieces.**

WHAT YOU'LL NEED:

- Fluted Panels
- Tape measure
- Spirit level
- Pencil and square ruler
- Fine-toothed hand saw or circular saw - We recommend a new blade.
- 240-grit sandpaper
- Strong as Nails Fix It adhesive
- (Optional) Sealant gun
- (If desired- Optional) Stain or Paint to achieve desired finish

PREPARATION & PLANNING

- If the panels will be stored before installation, keep them laid flat, to minimise bowing or warping.
- Remove any screws, nails or fixtures from the wall. The wall should be clean, smooth and level. Fill holes or sand uneven areas as needed.
- Take note of any hidden cables or pipes before installation to avoid damage.
- Unbox and inspect all panels before starting, to ensure no panels are damaged.
- Plan your layout
- If necessary, cut panels to size before applying adhesive.

CUTTING & FITTING PANELS (OPTIONAL)

- Measure the required size carefully. Ensure accurate measurements to avoid waste.
- Mark a straight cutting line with a pencil & square ruler.
- For straight cuts — use a fine-toothed hand saw; for larger or irregular cuts a circular saw. We recommend a new blade. Cut slowly to minimise tear out.
- Lightly sand any cut edges with 240-grit sandpaper for a smooth finish.

INSTALLING THE PANELS

1. Position the first panel on the wall to check fit and alignment (dry fit), ensuring measurements and cuts are correct.
2. On the back of the panel, apply Strong as Nails Fix It adhesive in three wavy lines along its full length.
3. Press the panel firmly against the wall, ensuring it's straight by using a spirit level.
4. Hold it in place while the glue sets
5. Continue installing subsequent panels using the same procedure.

FINISHING TOUCHES & PAINTING (OPTIONAL)

- If you choose to apply a finish, please follow the directions of your chosen product.

Our team is dedicated to providing you with an outstanding customer experience, delivering the exceptional service you rightfully deserve.
